

# CMO Community Grants Fund

Call for projects!  
Spring Deadline  
**7th March 2022**

Looking for funds to run a small event, a street party or perhaps to offer classes or workshops to local people?

The Chilmington Management Organisation is forming a community grants panel made up of local residents and Board Directors. This panel will be given funds to distribute to community projects which benefit Chilmington Green residents.

There will be quarterly deadlines to submit your project ideas, with funding amounts ranging from £100 to £1,500 for a single project. Individuals or groups are welcome to apply, please see eligibility requirements and further information available at;

# Call for a Resident Director

Want to play a role in local governance and stewardship, to learn about non-profit directorship and to make a positive impact locally?

The Chilmington Management Organisation's Board of Director Trustees are looking to recruit the first Resident Director. This is an opportunity open to Chilmington Green residents (who are also CMO Members). No previous Board experience is required, but those with skill sets in either law, communications/marketing or financial management are encouraged to express an interest.

Full details on the resident director appointment will be provided in a recruitment pack on our website. Attendance at the upcoming Community Sounding Board is another opportunity to hear about this and other opportunities to get involved.
